Dated: February 3, 2006

("DUE DILIGENCE")

To the Clerk of the Court:

I am respectfully sending this notice to establish required "due diligence" in my continued effort to challenge to Constitutionality of my 2 prior state narcotic convictions used to enhance my current Federal sentence. It should be noted that the 2 prior offenses that I continue to challenge are the prior Pa. unlawful delivery committed 11-17-88, also, prior New Jersey possession/w/int/to distribute committed 11-21-88. I am properly seeking both state court vacatur of the aforementioned offenses.

I would respectfully submit at this point that the United States Court of Appeals denied my petition Seeking Certificate of Appealability on 12-9-06, therefore, concluding that my issues submitted in previous 28 U.S.C. 2255 were in the Courts opinion without merit. The Supreme Court has required all litigants of whom is in position to realize that he/she has an interest in challenging a prior conviction to show "due diligence" of his/her effort to do so by promptly taken appropriate action to seek relief with the Court of whom imposed the sentence. Please make this notice a permanent part of the court file for future verification.

Thanks in advance for your continued attention and assist

Respectfully

x John W
